

Tuesday

Pre-Conference Workshops (pre-registration required)

9:00 AM - 12:00 PM	Trails Connecting Communities	TBD
9:00 AM - 4:00 PM	Remote Sensing with ArcGIS Pro *	TBD
1:00 PM - 4:00 PM	Advanced Geospatial Data Access and Application Development with IndianaMap.org *	TBD
1:00 PM - 4:00 PM	Applying Social Science Data in Indiana *	TBD
1:00 PM - 4:00 PM	Exploring Cartographic Heritage at Indiana University Libraries	Off-site
9:00 AM - 4:00 PM	Enabling the Geospatial Turn through Cyberinfrastructure Training	TBD
4:30 PM - 6:00 PM	Annual Board of Directors Meeting	Cook Group Room West/East
6:00 PM - 8:00 PM	Pre-Conference Social at Friendly Beasts Cidery	222 W. 2nd Street

Wednesday

8:00 AM - 9:00 AM	Registration & Networking	
9:00 AM - 9:50 AM	Welcome & Featured Presenter Secretary Lisa Hershman	The Great Room
10:00 AM - 7:00 PM	Exhibit Hall Open	Duke Energy Room West/East
10:00 AM - 11:50 AM	Emerging Professional Group Research Competition	The Great Room

Presentation Block A

10:00 AM - 10:50 AM	Life After Lidar: Using Cloud-based Workflows for Data Analysis	William J. Finch Room
---------------------	-----------------------------------------------------------------	-----------------------

10:00 AM - 10:50 AM IGIC's 2025 Employment Survey Highlights	Ralph Rodgers Room
10:00 AM - 10:50 AM Developing a True GIS Data Program *^	Zebendon Room West
10:00 AM - 10:50 AM Mapping Public Health: Integrating Health Department Data into a GIS	Hansen Room East
10:00 AM - 10:50 AM ArcGIS Enterprise Best Practices: Building Stable, Scalable, and Secure Platforms	Cook Group Room West/East

Presentation Block B

11:00 AM - 11:50 AM Scan2Twin: From Physical Space to Digital Intelligence	William J. Finch Room
11:00 AM - 11:50 AM New Datums, New State Plane Coordinate Systems, a New Foot, Legislative Changes, and Your Day-to-Day Workflow *	Ralph Rodgers Room
11:00 AM - 11:50 AM FAIR Indiana Geospatial Data Framework	Zebendon Room West
11:00 AM - 11:50 AM Igniting Insights	Hansen Room East
11:00 AM - 11:50 AM No More Ugly Maps: A Call for Engaging Map Design	Cook Group Room West/East

12:00 PM - 13:30 am Buffet Lunch and Midday Keynote (Advancing Indiana's Geospatial Future)	The Great Room
---------------------------------------------------------------------------------------------	----------------

Presentation Block C

1:40 PM - 2:30 PM Data to Science: Advancing Open Infrastructure for UAS Data	William J. Finch Room
1:40 PM - 2:30 PM IGIO Data Standards^	Ralph Rodgers Room
1:40 PM - 2:30 PM Standardizing and Improving the Representation of Section Corners in a GIS *^	Zebendon Room West
1:40 PM - 2:30 PM When Disaster Strikes: How Nonprofits in Indiana Can Use GIS to Help	Hansen Room East
1:40 PM - 2:30 PM Leveraging GIS Technology to Run the World	Cook Group Room West/East

Presentation Block C

2:40 PM - 3:30 PM Accessing Indiana's Statewide Imagery and Elevation Datasets *^	William J. Finch Room
2:40 PM - 3:30 PM Effective Implementation of Data Governance Programs	Ralph Rodgers Room
2:40 PM - 3:30 PM IGIC Community Driven ArcGIS Session	Zebendon Room West
2:40 PM - 3:30 PM Results – Why Create Partnerships with Academia and Industry Partners	Hansen Room East
2:40 PM - 3:30 PM What's INSIDE: Not all Maps are Created Equal	Cook Group Room West/East

Birds of a Feather Breakout Groups -Day 1

3:40 PM - 4:20 PM State	William J. Finch Room
3:40 PM - 4:20 PM City & Town	Ralph Rodgers Room
3:40 PM - 4:20 PM County	Zebendon Room West
3:40 PM - 4:20 PM Private Sector/Commercial GIS	Hansen Room East
3:40 PM - 4:20 PM Higher Education	Cook Group Room West/East

4:25 PM - 5:00 PM Award Presentations: Senator David C. Ford, Excellence in GIS, Special Achievement, and EPG Competition Awards	The Great Room
----------------------------------------------------------------------------------------------------------------------------------	----------------

5:00 PM - 7:00 PM Sponsor Reception, sponsored by Woolpert	The Great Room
------------------------------------------------------------	----------------

Thursday

7:30 AM - 8:20 AM	Coffee & Networking	
-------------------	---------------------	--

8:00 AM - 3:00 PM	Exhibit Hall Open	Duke Energy Room West/East
-------------------	-------------------	----------------------------

8:20 AM - 8:50 AM	Morning Plenary - Conference Recap & Announcements	The Great Room
-------------------	----------------------------------------------------	----------------

Presentation Block D

9:00 AM - 9:50 AM	Indiana Imagery & Elevation Programs Update	William J. Finch Room
9:00 AM - 9:50 AM	Beyond the Map: How Modern Parcel Data Powers Smarter Local Government ^	Ralph Rodgers Room
9:00 AM - 9:50 AM	Features and Updates in the Indiana Spatial Data Portal	Zebendon Room West
9:00 AM - 9:50 AM	Safety-focused indoor GIS solutions within ArcGIS	Hansen Room East
9:00 AM - 9:50 AM	Introducing Hoosier Character: An Interactive Map of 19th Century Indiana	Cook Group Room West/East

Presentation Block E

10:00 AM - 10:50 AM	Accessibility is Not Optional: Resources for Compliance Under the New ADA Title II Rule	William J. Finch Room
10:00 AM - 10:50 AM	Where Has the IGWS Been? A journey with maps, data, rocks, and musical chairs	Ralph Rodgers Room
10:00 AM - 10:50 AM	Implementing a Parcel Management Solution^	Zebendon Room West
10:00 AM - 10:50 AM	The Polygon That Answers First: Why Service Boundaries Make or Break NG9-1-1	Hansen Room East
10:00 AM - 10:50 AM	From the Office to the Field, and Back Again	Cook Group Room West/East

Presentation Block F

11:10 AM - 11:35 AM	From Landsat to GeoAI: 50 Years of Machine Learning in Landsat Earth Observation ^	William J. Finch Room
11:10 AM - 11:35 AM	Assessment of GIS Skill Development in Graduate Geospatial Education at Purdue University	Ralph Rodgers Room
11:10 AM - 11:35 AM	Improving the Stability of the Crop Sequence Boundaries for Assessing Field Fragmentation and Consolidation Through	Zebendon Room West
11:10 AM - 11:35 AM	Safe Routes to Libraries: Using QGIS to Identify, Prioritize, and Plan	Hansen Room East
11:10 AM - 11:35 AM	Saving Money and Time using PowerAutomate and GIS	Cook Group Room West/East

Presentation Block G

11:40 AM - 12:05 PM	Monitoring Algal Changes in Freshwater Environments in East Central Indiana with a Multispectral Drone and Satellite	William J. Finch Room
11:40 AM - 12:05 PM	Parcel Condition Surveys for Urban Research and Policy ^	Ralph Rodgers Room
11:40 AM - 12:05 PM	Field Maps Tasks: Modernizing Field Workflows and Replacing the Need for Workforce ^	Zebendon Room West
11:40 AM - 12:05 PM	Inside and Out: Bridging the Gap Between Utility GIS and Indoor Mapping	Hansen Room East
11:40 AM - 12:05 PM	Building Smarter GIS Apps: Deploying Custom Widgets in ArcGIS Enterprise Experience Builder	Cook Group Room West/East

12:05 PM - 1:30 PM	Lunch, Networking, & Poster Hall	The Great Room
--------------------	----------------------------------	----------------

Birds of a Feather Breakout Groups -Day 2

1:30 PM	- 2:20 PM	Electric, Gas and Water Utilities	William J. Finch Room
1:30 PM	- 2:20 PM	Public Safety & Transportation	Ralph Rodgers Room
1:30 PM	- 2:20 PM	Health, Environment & Sustainability	Zebendon Room West
1:30 PM	- 2:20 PM	Data: Stewardship, Governance & Standards	Hansen Room East
1:30 PM	2:20 PM	AI and GIS: (wh)Y?	Cook Group Room West/East

Presentation Block H

2:30 PM	- 2:55 PM	IGIC New Board Member Onboarding	William J. Finch Room
2:30 PM	- 2:55 PM	Tracking Past and Future Development: Integrating Recorded Surveys into an Interactive GIS Application ^	Ralph Rodgers Room
2:30 PM	- 2:55 PM	Streamlining Operations with the Esri GIS Request Management Solution	Zebendon Room West
2:30 PM	- 2:55 PM	Hancock County Emergency Trail Signage Program	Hansen Room East
2:30 PM	- 2:55 PM	From Spreadsheets to a Digital Twin: How St. Joseph County Transformed their Infrastructure GIS Data Using Compute	Cook Group Room West/East

3:00 PM	- 15:30	Closing Town Hall Meeting	The Great Room
